

# ADDITIONAL ACTIVITIES

**SEPTEMBER 15 - 17, 2026 | KAMLOOPS, B.C.**  
HOSTED BY: INTERIOR INDIGENOUS COMMUNITY FUTURES (IICF)

**LOCAL LANDS  
ATV TOUR & BBQ LUNCH**  
TUESDAY, SEPTEMBER 15, 2026

**\$400.00 +GST**

Set out on an unforgettable ATV adventure through the breathtaking landscapes surrounding our community, where wide-open countryside, rolling terrain, and scenic vistas provide an immersive way to experience the land. Guided by knowledgeable local hosts, you'll follow a carefully curated route that showcases the region's natural beauty while sharing stories of its rich history, cultural significance, and deep-rooted connections to the land. Along the way, there will be opportunities to pause, take in expansive views, and gain insight into how the landscape has shaped the people, traditions, and livelihoods of generations past. Designed to foster meaningful connection—with the land, local guides, and fellow participants—the experience concludes at a rustic outpost with a hearty, freshly prepared BBQ lunch, offering time to relax, reflect, and enjoy great food and conversation in the quiet beauty of the countryside.

*Registrations to be a driver (must 19yrs+) or passenger ticket types available. We ask that all drivers have previous experience in driving off-road machines of similar type.*

## THE RIVER "SETETKEW" JOURNEY & LUNCH

TUESDAY, SEPTEMBER 15, 2026

**\$250.00 +GST**

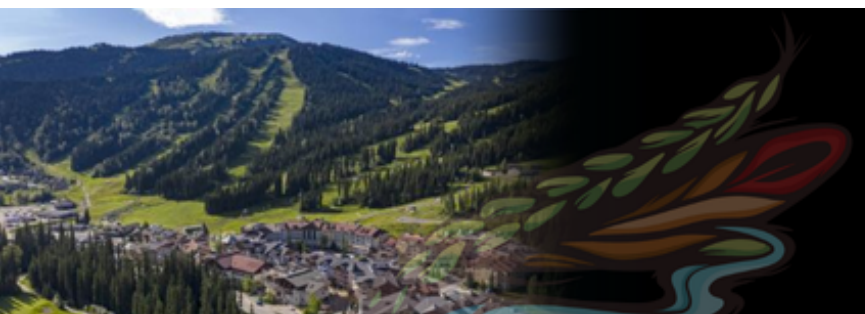

Enjoy a guided two-hour canoe journey along the gentle current of the South Thompson River. The tour will begin with a meaningful tobacco feeding ceremony to acknowledge the land and waters you are about to travel. Led by an Indigenous guide and knowledge keeper, participants will learn about the history and cultural connection of the Secwépemc (Shuswap) people to the river. Prior to launching, guests will receive water safety guidance and basic paddle instruction to ensure a comfortable and enjoyable experience on the water. Participants will take in the surrounding landscapes and views of Kamloops, while canoe guides share stories of the land and river, along with traditional songs passed down through generations. The journey offers a unique opportunity to connect with the water, the land, and one another.
